## U.S. Bishops Issue a “Special Message” on Immigration from Plenary Assembly in Baltimore

The bishops issued a Special Message addressing their concern for the evolving situation impacting immigrants in the United States. It marked the first time in twelve years the USCCB invoked this particularly urgent way of speaking as a body of bishops.

*To our immigrant brothers and sisters, we stand with you in your suffering, since, when one member suffers, all suffer (cf. 1 Corinthians 12:26). You are not alone!*

*We note with gratitude that so many of our clergy, consecrated religious, and lay faithful already accompany and assist immigrants in meeting their basic human needs. We urge all people of good will to continue and expand such efforts.*

*We oppose the indiscriminate mass deportation of people. We pray for an end to dehumanizing rhetoric and violence, whether directed at immigrants or at law enforcement. We pray that the Lord may guide the leaders of our nation, and we are grateful for past and present opportunities to dialogue with public and elected officials. In this dialogue, we will continue to advocate for meaningful immigration reform.*

*As disciples of the Lord, we remain men and women of hope, and hope does not disappoint! (cf. Romans 5:5)*

*May the mantle of Our Lady of Guadalupe enfold us all in her maternal and loving care and draw us ever closer to the heart of Christ.*

For more information, go to the Bishop’s web site ([usccb.org](http://usccb.org)) and look under “Latest News”.
